Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Housing Authority of the Borough of Clementon's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the Borough of Clementon's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Housing Authority of the Borough of Clementon as of June 30, 2015, and the respective changes in financial position, and, where applicable, cash flows thereof for the year's then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and budgetary comparison information on pages 4 through 16 and pages 41-42 be presented to supplement the basic financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards accepted in the United States of America, which consisted of inquiries of management about the method of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, is presented for purposes of additional analysis and is not a required part of the financial statements. Lastly, the supplemental information on the accompanying Financial Data Schedule is presented for the purpose of additional analysis and is not a required part of the financial statements. The Schedule of Federal Awards and the Financial Data Schedule are the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The other financial and statistical information have not been subjected to the auditing procedures in the audit of the financial statements, and accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued reports dated October 30, 2015 on our consideration of the Housing Authority of the Borough of Clementon's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That reports are an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

**HOUSING AUTHORITY OF THE BOROUGH OF CLEMENTON
MANAGEMENT'S DISCUSSION AND ANALYSIS
AT JUNE 30, 2015**

THE AUTHORITY AS A WHOLE

The Authority's revenues consist primarily of rents and subsidies and grants received from HUD. The Authority receives subsidies each month based on a pre-approved amount by HUD. Grants are drawn down based on need against a pre-authorized funding level. The Authority's revenues were not sufficient to cover all expenses excluding depreciation expense. The Authority's unrestricted net position appears sufficient to cover any foreseeable shortfall arising from a possible economic turndown and reduced subsidies and grants.

By far, the largest portion of the Authority's net position reflects its net investment in capital assets (e.g., land, buildings, equipment, and construction in progress). The Authority uses these capital assets to provide housing services to its tenants. Consequently, these assets are reported as "Net Investment in Capital Assets" and are not available for future spending. The unrestricted position of the Authority is available for future use to provide program services.

HOUSING AUTHORITY OF THE BOROUGH OF CLEMENTON PROGRAMS

Public Housing Program:

Under the Public Housing Program, the Authority rents units that it owns to low-income households. This program is operated under an Annual Contributions Contract (ACC) with HUD. HUD's rent subsidy program provides housing assistance to low income families so that they are able to lease "decent, safe, and sanitary" housing for specific eligible tenants. The rent paid by the tenant is a percentage of tenant gross income subject to a \$25 minimum; it cannot exceed the greater of the following amounts: (a) 30% of the family's adjusted monthly income, (b) 10% of the family's monthly income, or (c) the Housing Authority of the Borough of Clementon flat rent amount.

Capital Fund Program:

The public Housing Capital Fund was established under the Quality Housing & Work Responsibility Act of 1998 (QHWRA). This fund is used for repairs, major replacements, upgrading and other non-routine maintenance work that needs to be done on the Authority's apartments to keep them clean, safe and in good condition.

Housing Choice Voucher Program

Under the Housing Choice Voucher Program, the Authority administers contracts with independent landlords to provide housing to Section 8 tenants. The Authority subsidizes the tenant's rent through Housing Assistance Payment made to the landlord. This program is also administered under an Annual Contributions Contract (ACC) with HUD. HUD provides annual contributions funding to enable the Authority to structure a contract that sets the participants' rent at approximately 30% of household income subject to certain restrictions.

BUDGETARY HIGHLIGHTS

For the year ended June 30, 2015, individual program or grant budgets were prepared by the Authority and adopted by the Board of Commissioners. The budgets were primarily used as a management tool and have no legal stature. The budgets were prepared in accordance with the accounting procedures prescribed by the applicable funding agency.

The budget for the Low Rent Public Housing was adopted on the basis of accounting practices prescribed by the U.S. Department of Housing and Urban Development (HUD), which differ in some respects from generally accepted accounting principles. The full detail can be found in the Budget comparison to actual results for the Low Rent Public Housing Program on page 42 of this report.

The budget for the Housing Choice Voucher Program was adopted on the basis of accounting practices prescribed by the U.S. Department of Housing and Urban Development (HUD), which differ in some respects from generally accepted accounting principles. The Housing Choice Voucher program Housing Assistance Payments (HAP) funds were approved by the U.S. Department of Housing and Urban Development (HUD) on a basis consistent with the grant application covering HAP programs. The full detail can be found in the Budget comparison to actual results for the Housing Choice Voucher Program on page 43 of this report.

NEW INITIATIVES

For the fiscal year 2015 the Housing Authority's primary focus has been on funding and accountability. As a public entity that derives approximately 71% percent of its revenue from the Department of Housing and Urban Development, (2014 was 66% percent), the Authority is constantly monitoring for any appropriation changes, especially since it appears the nation is continuing an era of need for additional public assistance to help families meet the challenges of a very tumultuous economy.

The current administration of the Authority is determined to improve the financial results of the Authority's operations. The Authority has made steady progress in various phases of the operations, all the while increasing the occupancy percentage in the public housing units and a high utilization rate in Housing Assistance Programs. Interactions with the residents are a constant reminder of the need of the services.

Regardless of the constraints (financial or regulatory) placed on this Housing Authority, the Authority will continuously look for ways to better provide or expand housing and housing assistance to qualified residents of the Borough of Clementon all the while being mindful of their responsibility to be good stewards of the public's tax dollars.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The Housing Authority of the Borough of Clementon is primarily dependent upon HUD for the funding of operations; therefore, the Housing Authority is affected more by Federal budget than by local economic conditions. Pressure on the federal budget will remain in the form of both record deficits and competing funding needs.

The capital budgets for the 2015 fiscal year have already been submitted to HUD for approval and no major changes are expected. The Capital fund programs are multiple year budgets and have remained relatively stable. Capital Funds are used for the modernization of public housing property including administrative fees involved in the modernization. The following factors were considered in preparing the Authority's budget for the fiscal year ending June 30, 2016.

- State of New Jersey economy including the impact on tenant income. Local inflationary, recessionary and employment trends, which can affect resident incomes and therefore the amount of rental income. Tenant rental payments are based on tenant income.
- The need for Congress to fund the Department of Defense and Homeland Security due to the war on terrorism and other impending military activities will probably result in reduced appropriations for all other domestic program spending.
- Inflationary pressure on utility rates, supplies and other cost.
- Trends in the housing market which affect rental housing available for the Section 8 tenants, along with the amount of the rents charged by the private landlords, are expected to have a continued impact on Section 8 HAP payments.
- Even if HUD was fully funded for both the Operating and Capital Funds, it is unlikely that Congress would appropriate adequate funding. Pressure on the federal budget will remain in the form of both record deficits and competing funding needs.

NOTE 1 - SUMMARY OF ORGANIZATION, ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

1. Organization - The Authority is a governmental, public corporation which was organized under the laws public corporation created under federal and state housing laws as defined by State statute (N.J., S.A. 40A:12A-1 et al the Housing Authority Act) for the purpose of engaging in the development, acquisition and administrative activities of the low-income housing program and other programs with similar objectives for low and moderate income families residing in the Borough of Clementon in accordance with the rules and regulations prescribed by the Department of Housing and Urban Development (HUD).

The Authority is governed by a Board of Commissioners which is essentially autonomous but is responsible to the U.S. Department of Housing and Urban Development and the State of New Jersey Department of Community Affairs. An Executive Director is appointed by the Housing Authority's Board to manage the day-to-day operations of the Authority. The Authority is responsible for the development, maintenance, and management of public housing for low and moderate income families residing in Clementon. Operating and modernization subsidies are provided to the Authority by the federal government.

The financial statements include all the accounts of the Authority. The Authority is the lowest level of government over which the Authority's Board of Commissioners and Executive Director exercise oversight responsibility. The Authority is not included in any governmental "reporting entity" since its board members; while they are appointed primarily by the Mayor of Clementon and Borough Council, the Board of Commissioners have decision making authority, the power to designate management, the responsibility to significantly influence operations, and primary responsibility for accounting and fiscal matters. The Authority has also concluded that it is excluded from the Borough of Clementon reporting entity.

Based on the following criteria, the Authority has not identified any entities which should be subject to evaluation for inclusion in the Authority's reporting entity. The criteria for including or excluding a component unit relationship as set forth in Section 2100 of GASB's Codification of governmental Accounting and Financial Reporting Standards, include whether:

- A. The organization is legally separate.
- B. The organization is fiscal dependency on the primary government.
- C. The organization has potential to impose a financial benefit or burden on the primary government.
- D. The organization meets the financial accountability criteria for inclusion as a component unit of the primary government.
- E. The primary government is able to impose its will on the organization.

2. Significant Accounting Policies

The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The accompanying financial statements are presented in conformity with accounting principles generally accepted in the United States of America for governmental units as prescribed by the Governmental Accounting Standards Board (GASB) and other authoritative sources. The Authority has determined that the applicable measurement focus (flow of economic resources) and accounting basis (accrual) is similar to that of a commercial enterprise. As such, the use of proprietary funds best reflects the activities of the Authority. Entities using this method observe all Financial Accounting Standards Board (FASB) Statements and Interpretations in the preparation of financial statements, unless the GASB has specifically addressed the accounting issue in one of its own pronouncements. GASB-20-“Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities That Use Proprietary Fund Accounting” addresses the applicability of the various FASB’s, and allows several options in the use of the FASB’s. The Authority has elected to use Alternative 2 of GASB-20 which states that “a proprietary activity may also apply all FASB Statements and Interpretations issued after November 30, 1989, except for those that conflict with or contradict GASB pronouncements”. Also, the Authority has elected to not follow FASB-106, FASB-112, and FASB-132, which all deal with pension reporting. Instead, the Authority follows GASB-45-“Accounting for Pensions by State and Local Governmental Employers.”

Basis of Accounting –

In Enterprise fund, activities are recorded using the accrual basis of accounting. Under the accrual basis of accounting revenues are recorded when earned and expenses are recorded at the time liabilities are incurred. This requires the Housing Authority to account for operations in a manner similar to private business or where the Board has decided that the determination of revenues earned, costs incurred and/or net income is necessary for management accountability.

The major sources of revenue are tenants dwelling rentals, HUD operating subsidy, capital grants, and other revenue.

HUD’s rent subsidy program provides housing to low income families so that they are able to lease “decent, safe, and sanitary” housing for specific eligible tenants. The rent paid by the tenant is a percentage of tenant gross income subject to a \$25 minimum; it cannot exceed the greater of the following amounts:

- (a) 30% of the family’s adjusted monthly income,
- (b) 10% of the family’s monthly income, or
- (c) Housing Authority of the Borough of Clementon’s flat rent amount.

HOUSING AUTHORITY OF THE BOROUGH OF CLEMENTON

Notes to Financial Statements

June 30, 2015

Basis of Accounting – Continued

Tenants dwelling rental charges are determined and billed monthly and are recognized as revenue when assessed because they are measurable and are collectible within the current period. Amounts not received by June 30, are considered to be accounts receivable and any amounts received for subsequent period are recorded as unearned revenue.

HUD operating, capital grants which finance capital and current operations are susceptible to accrual and recognized during the year earned in accordance with applicable HUD program guidelines. The Capital Fund Grant program income are expenditure driven grants with the revenue from the grant classified based on the expenditure. If the funds were expended for capital activities, the revenue is reported as capital contribution; if the funds are expended for other than capital, the revenue is reported as operating revenue.

HUD Section 8 Housing Choice Voucher Assistance Program receives from HUD an Annual Budget Amount (ABA) during the year in accordance with applicable HUD program guidelines. As of January 1, 2005 excess funds disbursed by HUD to the Authority for the payment of HAP's that are not utilized are not returned to HUD, but become part of the undesignated fund balance and may only be used to assist additional families up to the number of units under contract.

Administrative fee paid by HUD to the Authority in excess of administrative expenses are a part of the undesignated fund balance and are considered to be administrative fee reserves.

Other revenue composed primarily of miscellaneous services fees and residents late charges. The revenue is recorded as earned since it is measurable and available.

Non-operating revenue and expenses consist of revenues and expenses that are related to financing and investing activities and result from non-exchange transactions or ancillary activities.

Financial transactions are recorded and organized in accordance with the purpose of the transaction. Each program is an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. All material inter-program accounts and transactions are eliminated in the preparation of the basic financial statements. Because the Authority's activity is considered self-financing and does not rely on specific taxes or fines (i.e. property taxes, sales and use tax etc.) no activity will be maintained as governmental funds but will be recorded as proprietary funds under the Enterprise Fund.

Report Presentation –

The Authority's basic financial statements are presented on an entity-wide basis consisting of various housing programs. The financial statements included in this report were prepared in accordance with generally accepted accounting principles (GAAP) in the United States of America. In accordance with GASB Statement No. 34, the report includes Management's Discussion and Analysis. The Authority has implemented the general provisions of GASB Statement No. 34.

Also the Authority adopted the provisions of Statement No. 37 "Basic Financial Statement and Management's Discussion and Analysis for State and Local Governments" Statement No.38 "Certain Financial Statement Note Disclosures", and Statement No. 63 "Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position" which supplements GASB Statement No. 34.

GASB Statement No. 34 established standards for external financial reporting for all State and Local Governments entities that includes a statement of net assets, a statement of revenue, expenses, and changes in net assets, and a statement of cash flow.

GASB Statement No. 63 requires the classification of "net assets" into "net position" which consists of three components, Net Investment in Capital Assets, Restricted, and Unrestricted.

The adoptions of Statement No. 34, Statement No. 37, Statement No. 38, and Statement No. 63 have no significant effect on the financial statements except, for the classification of net position in accordance with Statement No. 63.

Net Investment in Capital Assets.

The net position consists of capital assets, net of accumulated depreciation and reduced by outstanding balances of debt issued to finance the acquisition, improvement, or construction of those assets.

Restricted Net Position

The net position less that are subject to constraints on their use by creditors, grantors, contributors, legislation, or other governmental laws or regulations.

Unrestricted Net Position

The net position consists of net assets that do not meet the definition of Restricted Net Position or Net Investment in Capital Assets.

The federally funded programs administered by the Authority are detailed in the Financial Data Schedule and the Schedule of Expenditures of Federal Awards; both are which are included as Supplemental information.

Notes to Financial Statements

Other accounting policies are as follows

1 – Cash and cash equivalents are stated at cost, which approximates market. Cash and cash equivalents include cash in banks, petty cash and certificates of deposit, and other investments with original maturities of less than three months from the date of purchase. Investments are recorded at fair value based on quoted market prices. Fair value is the amount at which a financial instrument could be exchanged in a current transaction between willing parties.

2 – Collection losses on accounts receivable are charged against an allowance for doubtful accounts.

3 – Buildings and equipment are recorded at cost for all programs and depreciation is computed on the straight line basis.

4 – Repairs funded out of operations, such as painting, roofing and plumbing, are charged against income for all programs.

5 – Operating subsidies received from HUD are recorded as income when earned.

6 – The cost of accumulated unpaid compensated absences, including fringe benefits, is reported in the period earned rather than in the period paid.

7 – Prepaid expenses represent payments made by the Authority in the current year to provide services occurring in the subsequent fiscal year.

8 - The Authority has elected not to apply to its proprietary activities Financial Accounting Standards Board Statements and Interpretations, Accounting Principles Board Opinions, and Accounting Research Bulletins of the Committee of accounting Procedure issued after November 30, 1989.

9 – The Authority does not have any infrastructure assets for its Enterprise Fund.

10 – Inter-fund receivable and payables arise from inter-fund transactions and are recorded by all funds in the period in which the transactions are executed. Interfund receivables and payables between funds are eliminated in the Statement of Net Position.

11- Advertising cost is charged to expense when incurred.

12- The Authority defines its operating revenues as income derived from charges to residents and other services provided, as well as government subsidies and grants used for operating purposes. Operating expenses are cost incurred in the operation of its program activities to provide services to residents and others. The Authority classifies all other revenue as non-operating.

HOUSING AUTHORITY OF THE BOROUGH OF CLEMENTON

Notes to Financial Statements

June 30, 2015

Other accounting policies - Continued

13- Certain conditions may exist as of the date the financial statements are issued, which may result in a loss to the Authority but which will only be resolved when one or more future events occur or fail to occur. The Authority's management and its legal counsel assess such contingent liabilities, and such assessment inherently involves an exercise of judgment. In assessing loss contingencies related to legal proceedings that are pending against the Authority or unasserted claims that may result in such proceedings, the Authority's legal counsel evaluates the perceived merits of any legal proceedings or unasserted claims as well as the perceived merits of the amount of relief sought or expected to be sought therein. If the assessment of a contingency indicates that it is probable that a material loss has been incurred and the amount of the liability can be estimated, then the estimated liability would be accrued in the Authority's financial statements. If the assessment indicates that a potentially material loss contingency is not probable but is reasonably possible, or is probable but cannot be estimated, then the nature of the contingent liability, together with an estimate of the range of possible loss if determinable and material, would be disclosed. Loss contingencies considered remote are generally not disclosed unless they involve guarantees, in which case the nature of the guarantee would be disclosed.

14- Costs related to environmental remediation are charged to expense. Other environmental costs are also charged to expense unless they increase the value of the property and/or provide future economic benefits, in which event they are capitalized. Liabilities are recognized when the expenditures are considered probable and can be reasonably estimated. Measurement of liabilities is based on currently enacted laws and regulations, existing technology, and undiscounted site-specific costs. Generally, such recognition coincides with the Authority's commitment to a formal plan of action.

16- Fair Value Measurements – Fair value is defined as an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants. Generally accepted accounting principles defined a three-tier hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1: Observable inputs such as quoted prices in active markets;
- Level 2: Inputs, other than quoted prices in active markets that are observable either directly or indirectly; and
- Level 3: Unobservable inputs for which there is little or no market data, which requires the Authority to develop assumptions.

Budgetary and Policy Control –

The Authority submits its annual operating and capital budgets to the State of New Jersey Department of Community Affairs in accordance with New Jersey statute. After the New Jersey Department of Community Affairs approves the budget, it is formally adopted by resolution of the Housing Authority's Board of Commissioners. Once adopted, the Board of Commissioners may amend the legally adopted budget when unexpected modifications are required in estimated revenues and expenses. Each fund's budget is prepared on a detailed line item basis. Revenues are budgeted by source and expenditures are budgeted by expense classification within each revenue source.

Budgetary Comparison under GASB No. 34, budgetary comparison information is required to be presented for the Low Rent Housing Program and the Housing Choice Voucher Program which the Board of Commissions has legally adopted the budget during the year. The budgetary comparison schedules have been provided for these programs to demonstrate compliance with the budgets. The comparison of actual results to the Authority's for the Low Income Public Housing Program found on page 41 the Section Eight Housing Choice Voucher Program on page 42.

A. Low Rent Public Housing Program

The low rent public housing program is designed to provide low-cost housing within the Borough of Clementon. Funding is provided by eligible residents who are charged monthly rent based on family size, family income and other determinants, as well as by subsidies provided by HUD.

B. Capital Fund Programs

Substantially all additions to land, structures and equipment are accomplished through these programs (included in the financial statements under PHA Owned Housing). These funds replace or materially upgrade deteriorated portions of existing Authority property. These programs are financed by HUD subsidies. The capital fund programs are now merged into the low rent public housing program.

Activities – Continued

C. Housing Choice Vouchers Program

Under the Housing Choice Voucher Program, the Authority administers contracts with independent landlords to provide housing to Section 8 tenants. The Authority subsidizes the tenant's rent through Housing Assistance Payment made to the landlord. This program is also administered under an Annual Contributions Contract (ACC) with HUD.

Taxes - Under federal, state, and local law, the Authority's program are exempt from income, property and excise taxes. However, the Authority is required to make payments in lieu of taxes (PILOT) for the low-income housing program in accordance with the provision of a Cooperation Agreement. Under the Cooperation Agreement, the Authority must pay the municipality the lesser of 10% of its net shelter rent or the approximate full real property taxes.

Board of Commissioners - The criteria used in determining the scope of the entity for financial reporting purposes are as follows:

- 1.) The ability of the Board to exercise supervision of a component unit's financial independence.
- 2.) The Board's governing authority extends to financial decision making authority and is held primarily accountable for decisions.
- 3.) The Board appoints the management of the Authority who is responsible for the day-to-day operations and this management are directly accountable to the Board.
- 4.) The ability of the Board to significantly influence operations through budgetary approvals, signing and authorizing contracts, exercising control over facilities, and approving the hiring or retention of key managerial personnel.
- 5.) The ability of the Board to have absolute authority over all funds of the Authority and have accountability in fiscal matters.

NOTE 2 – ESTIMATES

The financial statements and related disclosures are prepared in conformity with accounting principles generally accepted in the United States. Management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and revenue and expenses during the period reported. These estimates include assessing the collectibility of accounts receivable, the use, and recoverability of inventory, and the useful lives and impairment of tangible and intangible assets, among others. Estimates and assumptions are reviewed periodically and the effects of revisions are reflected in the financial statements in the period they are determined to be necessary. Actual results could differ from the estimates.

NOTE 3 - PENSION PLAN

The Authority participates in the State of New Jersey Public Employees Retirement System (PERS), which is sponsored and administered by the New Jersey Division of Pensions and Benefits. It is a cost sharing, multiple-employer defined benefit pension plan. PERS was established in January 1955 under the provision of NJ SA 43:15A to provide coverage, including post-retirement health care, for substantially all full time employees of the state, its counties, municipalities, school districts or public agencies, provided the employee is not a member of another state administered retirement system.

Membership is mandatory for such employees. Contributions to the plan are made by both the employee and the Authority. Required employee contributions to the system are based on a flat rate determined by the New Jersey Division of Pensions for active plan members. Benefits paid to retired employees are based on length of service, latest earnings, and veteran status. **REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENTAL AUDITING STANDARDS**

INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Housing Authority of the Borough of Clementon
22 Gibbsboro Road
Clementon, NJ 08021

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Housing Authority of the Borough of Clementon (hereafter referred to as the Authority), which comprise the statement of net position as of June 30, 2015 and the related statements of revenue, expenses and changes in net position, statement of cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 30, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Housing Authority of the Borough of Clementon's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Authority's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority of the Borough of Clementon's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Housing Authority of the Borough of Clementon's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Housing Authority of the Borough of Clementon's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL
CONTROL OVER COMPLIANCE IN
ACCORDANCE WITH OMB CIRCULAR A-133**

**(Unmodified Opinion on Compliance for Each Major Program:
No Material Weakness or Significant Deficiencies
in Internal Control Over Compliance Identified)**

INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Housing Authority of the Borough of Clementon
22 Gibbsboro Road
Clementon, NJ 08021

Report on Compliance

We have audited the Housing Authority of the Borough of Clementon's (hereafter referred to as the Authority), compliance with the types of compliance requirements described in *OMB Circular A-133 Compliance Supplement* applicable to Authority's major federal programs identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs .

Management's Responsibility for Compliance

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for the Housing Authority of the Borough of Clementon's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on the major federal programs occurred. An audit includes examining, on a test basis, evidence about Housing Authority of the Borough of Clementon's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Housing Authority of the Borough of Clementon's compliance.

Opinion on Each Major Federal Program

In our opinion, the Housing Authority of the Borough of Clementon complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

Report on Internal Control Over Compliance

Management of the Housing Authority of the Borough of Clementon is responsible for establishing and maintaining effective internal control over compliance with the type of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstance for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis.

A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies, or material weaknesses in internal control over compliance. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of This Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

We have performed the procedure described in the second paragraph of this report, which was agreed to by Housing Authority of the Borough of Clementon and the U.S. Department of Housing and Urban Development, Public Indian Housing-Real Estate Assessment Center (PIH-REAC), solely to assist them in determining whether the electronic submission of certain information agrees with the related hard copy documents included within the OMB Circular A-133 reporting package. The information in the "Hard Copy Documents" column was included within the scope, or was a by-product of that audit. Further, our opinion on the fair presentation of the supplementary information dated June 30, 2015, was expressed in relation to the basic financial statements of Housing Authority of the Borough of Clementon taken as a whole.

A copy of the reporting package required by OMB Circular A-133, which includes the auditor's reports, is available in its entirety from Housing Authority of the Borough of Clementon. We have not performed any additional auditing procedures since the date of the aforementioned audit reports.
